We would like to welcome all the páistí back to school after the Christmas holidays. We hope you had a great Christmas and enjoyed the break. We are really looking forward to seeing everyone back in school for this term as we celebrate the brighter days ahead and look forward to Spring.

Tá an t-Earrach anseo anois, beidh na páistí ag ceiliúradh Lá Fhéile Bríde sa scoil agus iad ag déanamh cros Bhríde sna ranganna.

Spring has arrived and the children in rang 1 were busy making their St Brigid's day crosses.

Cóineartú

Beidh an Cóineartú ar siúl ar an 3ú Márta

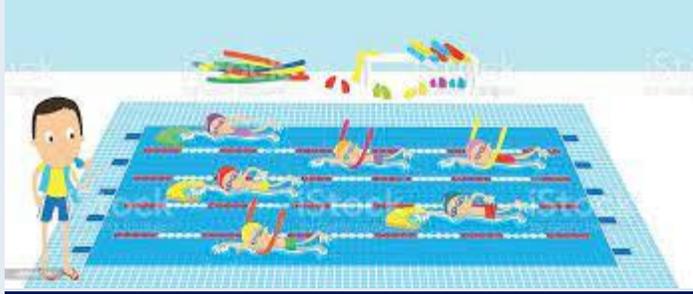

The Confirmation ceremony will be held on Thursday 3rd March at 11 am in the Our Lady of Victories Church .

An Chéad Chomaoineach

Táimid ag fanacht ar dháta le haghaidh an Chéad Chomaoineach, nuair atá sé againn, cuirfimid scéal amach.

We are awaiting a date for the First Holy Communion so as soon as we have the date confirmed, we will notify parents immediately.

Snámh ar ais ar an 2^ú Márta!

Beidh rang 3 ar ais ag snámh ó mí Márta. Caithfidh na páistí cleachtadh ar éadaí a athrú iad féin sa bhaile agus a éadaí snámh a bheith leo gach Céadaoin agus réidh le haghaidh dul go dtí an linn snámha. Beidh an chéad cheacht ag tosú ar an 2^ú Márta.

Swimming lessons beginning on March 2nd!

Rang 3 will be starting their first lesson on 2nd March. It is really important that the páistí practice changing their clothes themselves at home so that it won't be difficult for them on the day.

It is a good idea to have their swimming gear ready and packed the night before so to avoid any disappointment or delay on the morning of swimming.

Please do not send your child to school if they have any symptoms of COVID- 19 infection.

Isolation quick guide
under 13s (1) 18.01.22

I am under 12 and a household contact – what do I do?

All under 12s restrict movements for 7 days, unless you have tested positive since 1 December 2021 and recovered

Children aged 9-12 should wear a well fitted mask for 10 days

Children aged 4-12 should take regular antigen tests, with the last test on day 7

Children under 3 should only take a PCR test if they are symptomatic

#LayerUp #ForUsAll
gov.ie/covid19 hse.ie/covid19

What do I do if I have a positive test result?

Isolate for 7 days

Ending of self-isolation after 7 days is on the basis that symptoms have substantially or fully resolved for the final 2 of those 7 days

It is okay to stop self-isolating after seven days even if you have a mild cough or changes to your sense of smell – these can last for weeks after the infection has gone

Anyone aged 13 and older use a well-fitted medical grade or FFP2 face mask for 7 days

Children aged 9-12 years should use a well fitted mask for 10 days

Tá Hepa filters i ngach seomra ranga & Co2 monitors i ngach Seomra ranga.

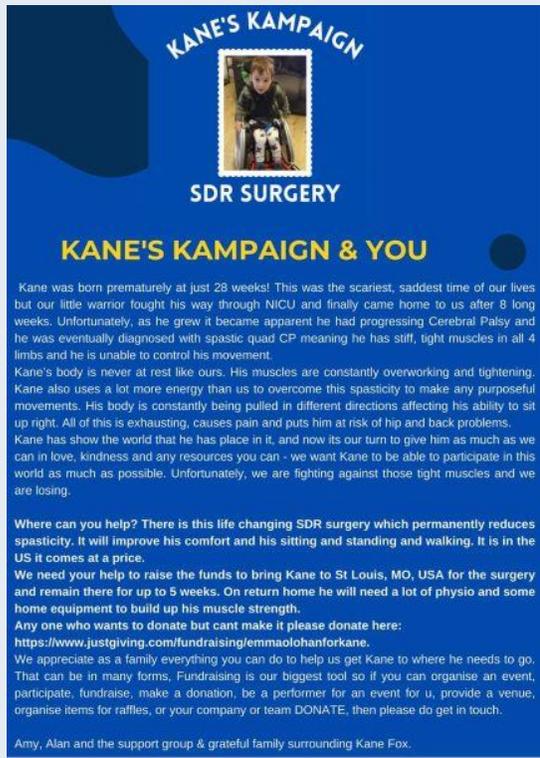

Since returning last term, many schools are monitoring CO₂ as an indication of deteriorating air quality/poor ventilation. Elevated CO₂ levels (caused by people exhaling) are taken as a cue to ventilate the room, by opening windows. If the room is well ventilated the spread of COVID-19 will be reduced.

We now have CO₂ monitors and Hepa filters installed in every room in the school to improve air quality and protect both páistí and staff.

Ar mhaith leat cabhair a thabhairt do Kane?

KANE'S KAMPAIGN

SDR SURGERY

KANE'S KAMPAIGN & YOU

Kane was born prematurely at just 28 weeks! This was the scariest, saddest time of our lives but our little warrior fought his way through NICU and finally came home to us after 8 long weeks. Unfortunately, as he grew it became apparent he had progressing Cerebral Palsy and he was eventually diagnosed with spastic quad CP meaning he has still, tight muscles in all 4 limbs and he is unable to control his movement.

Kane's body is never at rest like ours. His muscles are constantly overworking and tightening. Kane also uses a lot more energy than us to overcome this spasticity to make any purposeful movements. His body is constantly being pulled in different directions affecting his ability to sit up right. All of this is exhausting, causes pain and puts him at risk of hip and back problems.

Kane has show the world that he has place in it, and now its our turn to give him as much as we can in love, kindness and any resources you can - we want Kane to be able to participate in this world as much as possible. Unfortunately, we are fighting against those tight muscles and we are losing.

Where can you help? There is this life changing SDR surgery which permanently reduces spasticity. It will improve his comfort and his sitting and standing and walking. It is in the US it comes at a price.

We need your help to raise the funds to bring Kane to St Louis, MO, USA for the surgery and remain there for up to 5 weeks. On return home he will need a lot of physio and some home equipment to build up his muscle strength.

Any one who wants to donate but cant make it please donate here:
<https://www.justgiving.com/fundraising/emmaolohanforkane>.

We appreciate as a family everything you can do to help us get Kane to where he needs to go. That can be in many forms. Fundraising is our biggest tool so if you can organise an event, participate, fundraise, make a donation, be a performer for an event for u, provide a venue, organise items for raffles, or your company or team DONATE, then please do get in touch.

Amy, Alan and the support group & grateful family surrounding Kane Fox.

Cranncur poncúlacht gach Aoine ar scoil!

Every Friday morning in Gaelscoil Bhaile Munna we have a **punctuality raffle** and each child in the líne receives a raffle ticket from their múinteoir.

Punctuality is really important and we would ask you to encourage and ensure your child arrives for school on time each day, structured activities are in place first thing in the morning which help to promote social skills in young children. Arriving on time and coming in with their class line can be a good way to help your child relax and start their day off with their friends and classmates!
